

## AleTia Art Design

Welcome to **AleTia Art Design** world – where art becomes an architectural element and surfaces transform into statements of elegance. This catalog introduces a curated collection of **premium art panels** designed to seamlessly enhance any space with refined impact.

Each piece is meticulously **crafted in Italy**, combining advanced UV printing techniques with hand-finished detailing. Images are printed on select materials such as **composite aluminum**, **pure aluminum** and **acrylic-opaline**, then layered with epoxy resin, rich pigments and custom colors blends for depth and durability.

AleTia Art Design panels are not only **resistant to water and high temperatures**, but also bring lasting beauty and performance to both **indoor** and **outdoor** environments. They are **handmade** works of art, created to elevate the atmosphere of any setting – from private residences to hospitality spaces.

The collection is **fully customizable**. Sizes, colors, patterns, textures and finishes are tailored to the aesthetic and spatial needs of each project, ensuring harmony with any design vision.

Choose between **glossy** or **matte** finish, with luxurious surface textures available in: **smooth**, **cratered**, **brush**, **dots** and **beads** for a stunning 3D effect.

AleTia Art Design delivers a unique fusion of art, material innovation and architectural versatility – perfectly suited for **homes**, **boutiques**, **hotels**, **spas** and **beyond**.
